CRACKING THE CODES:

CODING AND BILLING FOR SANOFI PRODUCTS

NEW! CODING & BILLING FOR PEDIATRIC SEASONAL RSV IMMUNIZATION,
INCLUDING A COVERAGE FINDER TOOL SO YOU CAN ANTICIPATE
PAYER COVERAGE IN YOUR AREA

As part of our continued commitment to education, Sanofi is pleased to announce that our **complimentary** on-demand webinar program is updated and available for you to review at your convenience 24/7 at www.CrackingTheCodesTraining.com.

Coding and billing for immunizations can be complicated.
Doing it right the first time, and every time, is vital to the success of your immunization goals.

BREAKING IT DOWN!

VIEW ON-DEMAND VIDEOS

CUSTOMIZE YOUR VIEW! You can choose to limit your view of the webinar to the topics and products that are relevant to your practice. Products and topics are divided into short modules, allowing you to select only the information you need, without having to review information that is not applicable.

EASILY ACCESS RESOURCES

Access and download our vast library of coding and billing resources, including state-specific Medicaid billing summaries.

Our goal is to provide you with the information you need to be confident your office is billing correctly and completely:

- Understand the essential information needed to code and bill correctly
- Understand the things to consider when setting charge amounts
- Understand immunization payments and the direct and indirect costs they should cover
- Understand charge and payment benchmarks
- Review Medicaid modified billing and payment rules for VFC and privately-purchased vaccines
- Review Medicare billing and payment
- Consider opportunities to improve your coding and billing processes

Prior attendees highly recommend our complimentary coding and billing program!

"Thanks so much - this is the best thing I do all year for education - love it."
